Robin St. Louis Workshop

October 19-21, 2018

This will be a three day workshop for all skill levels (Friday 10/19-Sunday 10/21 9am-3pm.) "I like to start my working relationship with my students by email a month or so in advance of the workshop. When painting from photographs, I think that choosing an exciting photograph to begin with and then (usually) altering it in Photoshop to increase the contrast and saturation, makes a huge difference in the excitement with which one begins and also in the quality of the finished painting. I encourage each student to send me a few photographs that they are considering painting and we have an email dialogue about which of their photos would probably yield the best painting, and why. I do at least one demo each day. Topics include mixing strong darks, painting by wetting an area and dropping color in, painting skin tones and fabrics, and using dynamic color. My students tend to laugh a lot and seem to enjoy the atmosphere in the workshops. They also comment that they feel the workshop makes them "braver" about working larger, trying more unusual and dynamic compositions, and getting juicy color and strong contrast in their paintings."

There is a \$100 *non-refundable deposit* required for advance registration to hold a place. Final payment is due September 15, 2018. If, after you have made your final payment, you find you cannot attend, we will refund your money, less the \$100 deposit, *if we can find someone as a replacement*. The workshop is 3 days. Workshop participants must be at least 18 years of age and may not split class time with another artist. Workshops are held at Maria Center on the campus of Notre Dame high school from 9am-3pm.
