Pat Weaver Workshop

July 19-21, 2019

This will be a three day workshop for all skill levels (Friday 7/19/19-Sunday 7/21/19). Pat Weaver is an accomplished watercolor artist whose work receives high praise whether teaching painting workshops across the country or completing commissions for fine art pet portraits of dogs, cats and other animals. She is a Signature Member, Life Member, and Past President of the Florida Watercolor Society, and her artwork is routinely featured in numerous prestigious publications. Pat inspires, motivates and teaches the fundamental principles of painting, choosing to allow students to develop their own style of painting, but all the while disciplining and encouraging them to apply the principles taught to produce fine art. She is particularly noted for her spontaneous and direct watercolor work. The colors excite the viewer and flow from her brush like music from a fine violin. Her love, knowledge and command of the watercolor medium are passed onto the hundreds of students who have taken her painting workshops.

There is a \$100 non-refundable deposit required for advance registration to hold a place. Final payment is due June 19, 2019. If, after you have made your final payment, you find you cannot attend, we will refund your money, less the \$100 deposit, if we can find someone as a replacement. The workshop is 3 days.

Workshop participants must be at least 18 years of age and may not split class time with another artist.

Workshops are held at Maria Center on the campus of Notre Dame high school from 9am-3pm.
