Steve Rogers Workshop

Sept 25-28, 2019

This will be a four day workshop for all skill levels (Wednesday 9/25/2019-Saturday 9/28/2019). Steve Rogers studied with artist Harold Stevenson of the prestigious Stevenson Academy of Fine Art, and later with legendary watercolor painter and instructor Robert E. Wood. Steve has traveled to Greece, Italy, Spain and France many times, and these experiences have had a profound impact on the color, the sense of light and place, and overall direction of his painting. Steve quotes I John 1:5, "God is light,' and I paint the light, which is a reflection of God's beauty, and it makes my work as an artist both joyful and rewarding. I paint this beautiful land not as one who sees it every day, but as a "visitor", who is awestruck by something fresh and new and at the same time very ancient." Steve's paintings have won hundreds of awards in juried competitions both in the US and internationally.

There is a \$100 non-refundable deposit required for advance registration to hold a place. Final payment is due August 25, 2019. If, after you have made your final payment, you find you cannot attend, we will refund your money, less the \$100 deposit, if we can find someone as a replacement. The workshop is 4 days. Workshop participants must be at least 18 years of age and may not split class time with another artist. Workshops are held at Maria Center on the campus of Notre Dame high school from 9am-3pm.
